Nursing Management Institute

The NMI was created to provide you with the opportunity to steer your professional career by participating in a self-directed internet-based training program. Twelve two-hour online courses are available and provide a comprehensive educational program for current or aspiring nurse managers. The Curriculum includes the following courses:

- Applying Regulation to Practice
- Becoming a Systems Thinker
- Coaching for Performance Improvement
- Communicating Effectively
- Improving Outcomes through Quality
- Integrating Financial data
- Managing for Retention
- Maximizing Group Potential
- Mentoring and Being Mentored
- Sharing Decision Making
- Transitioning from Staff Nurse to Manager
- Utilizing Data for Staffing

Fees: \$35 each course (NC residents), \$45 each course (outside NC) Organizational discounts are available. For more information call (704) 210-5068 or email ekesler@wfubmc.edu

Attain your Nursing Management Certificate by taking 10 courses or enroll in individual courses for continuing education credit. For more information on how you can navigate your professional career and enroll in NMI visit the website at:
