

COMING JANUARY 2007... THE TEACH PROGRAM!

This exciting program is for grades 6-12 who have an interest in health careers. The program is held one evening a month from 6-8 pm. Students will meet healthcare professionals; participate in math and science enrichment and various workshops to expose them to opportunities in health careers.

- Interested Students -

If you are interested in participating in a health careers program here's how to apply:

Get on our mailing list. You can access the mailing list online at www.southernregionalahec.org/health_careers/healthcareershome.htm
High School students are required to have at least a 3.0 GPA to participate in all programs.

Wait to receive an application. Applications will arrive at least two months before the deadline.

Apply Now! Space Limited!
